pipetman®

50% Off Filter Tips

For Guaranteed Accuracy and Reproducible Results

PIPETMAN Filter Tips play a critical role in preventing aerosol-borne contamination. A high-density polyethylene filter stops particles down to 1µm from entering your pipette, providing an effective barrier against aerosols, corrosion and contamination.

- **Guaranteed Accuracy & Precision** - Optimised geometry and the highest grade polypropylene ensures the perfect fit and complete dispensing for consistent results.
- **Contamination-Free** - Tips are sterilised, certified free of DNA, RNA, DNase, RNase, ATP, Pyrogens and trace metals.
- **Highest Quality** - With full traceability, Gilson tips are manufactured in a clean room environment.
