

PIPETMAN L

Increase Productivity Without Sacrificing Comfort

PIPETMAN L is the latest innovation of Gilson based on ergonomics, comfort and traceability research. It combines PIPETMAN'S legendary robustness, a newly designed body shape and state of the art mechanism for extremely low pipetting forces and superior comfort.

**33%
OFF**

- Volume locking mechanism guarantees no accidental volume change during operation
- Ideal weight, handle shape and tip ejection for all day comfort
- Uniform sample delivery on multichannels for guaranteed performance across all channels
